MANTLE

MANTLE LAW (UK) LLP
Mid-Level Associates, London – Role Profile

Overview

Mantle Law is an international law firm, with offices in the UAE and UK. Our team of leading lawyers has a singular focus on arbitration and disputes within the construction, infrastructure and energy markets.

Due to recent new client wins and an ever-increasing volume of new, high-value mandates, Mantle Law is growing quickly and we now have an opportunity for mid-level Associates to join our team in London.

Join Mantle Law and you will have the opportunity to work on some of the highest profile, most complex and rewarding disputes work – usually with an international or specialist element – centred around the world's most dynamic sectors and regions.

We're looking for people who work hard and want to grasp the opportunity to help shape the future of our firm – ambitious and entrepreneurial individuals who are keen to join us in continuing to disrupt the global construction, infrastructure and energy disputes markets.

Skills and Knowledge

These roles will ideally suit mid-level lawyers of around 2-5 pqe who have developed their careers in the disputes practices of leading construction, energy and infrastructure teams, or those looking to move from in-house roles with proven industry experience. We would consider applicants with a little more or less experience.

Additional skills and experience should include:

- A broad range of experience working on international and domestic disputes resolved using adjudication, litigation, arbitration and ADR.
- Experience of the construction, infrastructure and energy sectors (including PFI/PPP), and/or a desire to focus on them
- Exceptional client skills; adaptable, flexible and able to deal with competing client demands
- Committed to proactively driving forward issues and managing cases
- Strong commercial and analytical skills
- Exceptionally strong communicator, able to generate written work to a high standard and can explain complex legal, factual and technical issues simply and clearly
- Able to work collaboratively with team members – both within London and in the UAE
- Extremely well organised
- Able to thrive when working under pressure and to tight deadlines
- Strong academics
